PROGRAM NOTICE REGARDING 2019 QUALIFIED ALLOCATION PLAN AMENDMENT

The following amendment is being made pursuant to Section 30, Modifications to QAP After Adoption/Waivers, of the 2019 QAP adopted on February 7, 2019.

1. Section 14.3.9 Smart Designs:

A 6 point scoring criteria for projects that receive USDA funding was placed under a Site Location category that has allows a maximum of 5 points causing confusion on whether USDA projects would be awarded 6 points or would be subject to 5 points.

The 6 points for qualified USDA projects should be considered and scored independently from the "A Site Location" category and is not subject to the 5 point cap.

If you have any questions or comments regarding this matter, please contact me.
