

How to Search for Properties on NVHousingSearch.org

Step 1

Go to NVHousingSearch.org and click [Find a Home to Rent](#).

Step 2

Choose a city or county to search.

Step 3

Next, you'll see a search screen. Choose from **Basic**, **Advanced** and **Accessible** tabs.

Use the **Basic** tab to search quickly by details like bed and bath amount, ZIP Code and if you have a voucher.

Use the **Advanced** tab to search by features like school district, appliances, pet friendliness, whether credit or criminal checks are required and more.

Use the **Accessible** tab for all the choices of the Advanced tab as well as many accessibility features.

NOTE: If an area has 30 or fewer places listed, you will see a list of properties right away. Click [New Search or Other Resources](#) to see the search screen.

Step 4

Enter additional search criteria, and press **CLICK HERE TO SEARCH** for housing listings.

HINT: Search by fewer criteria to see more listings. Use the contact information in each listing to address more questions with the landlord directly.

Step 5

Near the top of the next page, find a link to [Show These Properties on Map](#) and a **Sorted by:** drop-down menu to sort the listings by rent, location, date available and more.

Click on each address you are interested in to view more details and find landlord contact information.

Save and Compare Properties

Save properties by clicking the check box next to each place you like. Scroll to the bottom of the page to add selected places to a "basket" of choices.

Click [Your Temporary Basket](#) (at the top and bottom of the search results) to see your choices.

For a side-by-side comparison, click check boxes next to 2 or more properties in this list and click **Compare Selected Units**.

Step 6

To print listings, click the [Printer Friendly](#) link near the top-right corner of each page.
