

Use these tips to search for rental housing on the free NVHousingSearch.org.

Begin Searching

- Type the place to search into the “Find Your New Rental Home” bar.
- Click the magnifying glass.

View Results

The next page will show results for the area you searched. Click a listing to see full details.

Do you see too many results? 272 properties

Click “Hide Wait Listed Properties” to only see rentals that do not have wait lists.

Click “Refine or Restart Your Search” to go to a screen that lets you refine your search.

Do you need more results? 0 properties

Click “Refine or Restart Your Search” or “Click here to try another search.”

On the next screen, click “Choose a different area” at the top-right of the search box.

Use the Map

Click “Map” at the top-left of the search results to display results on a map.

Click map pins to see property information highlighted in blue next to the map.

Click anywhere on the map to begin a new search.

Sort Results

- Use the menu at the top-right to sort listings by rent, building location, date available, and more.
- Click the word “Detailed” to immediately see full contact information, deposits, and more.
- Click “see icon legend and more information” to see a key to the icons on each listing and to use the Temporary Favorites feature.
- Click the star in the bottom-left of each listing (in the photo) to “favorite” a property. Follow on-screen instructions to add favorites to a page you can view, print, and share. Select listings to compare them side by side.
