

STATE OF NEVADA

2026 ANNUAL ACTION PLAN SURVEY

Each year, the State of Nevada receives funding from the U.S. Department of Housing and Urban Development for HOME, Housing Trust Fund, Community Development Block Grant, Emergency Solutions Grant, and Housing Opportunities for Persons with AIDS programs.

Your voice matters, together we can direct resources where they matter most. Responses to this survey will help shape how the State invests these federal funds to achieve the goals and objectives identified in the 2025-2029 Consolidated Plan:

- Expand Affordable Housing
- Non-housing Community Development
- Reduce and Prevent Homelessness

Click to complete the [Nevada 2026 Annual Action Plan Survey](#)

This survey is intended for Nevada residents and individuals representing non-profit and for-profit organizations. It should only take **5-10 minutes** of your time to complete. Your input will help determine how best to use these federal resources to strengthen communities across Nevada.
