Purpose

The purpose of the public hearing is to receive comments from all interested parties regarding the proposed program year 2022 State Plan and Application pertaining to the Department of Energy (DOE), Low-Income Weatherization Assistance Program, for the period of July 1, 2022, through June 30, 2023. A copy of this Notice and the proposed State Plan and Application has been emailed to all Service Providers (Sub-grantees) a minimum of 10 days in advance of the public hearing. Any member of the public desiring to receive the proposed State Plan and Application will be either emailed or mailed a copy upon request. To receive a copy please contact Raul Betancourt, Weatherization Program Supervisor, at raul.betancourt@housing.nv.gov or (775) 687-2242.

Briefly summarized are the changes from last year's approved State Plan and Application and other important details. The primary difference is the DOE funding for the State of Nevada has increased from \$1,357,572 to \$1,461,666, an increase of \$104,094 for program year 2022. All Service Providers that requested funding for the upcoming program year will receive an award of DOE Weatherization Assistance Program funds appropriate for the population base of their service areas with some adjustments. Due to the higher costs of delivery in the rural areas of Nevada caused primarily by the large driving distances, two rural service areas will receive an additional two percent (2%) of total weatherization funding. Furthermore, there is an increase in DOE funding in the rural areas since more projects can qualify for assistance with DOE funding than using the State FEAC dollars. FEAC is harder to spend in the rural areas due to the requirement of utility providers having to pay into the Universal Energy Charge. In this case, DOE funds were swapped equally for State funding.

Comments made during the public hearing and accepted by the Nevada Housing Division as beneficial to the Weatherization Assistance Program may result in modifications to the proposed State Plan and Application. If it is necessary to adjust the State Plan and Application pursuant to accepted comments, a revised version may become the final State Plan and Application for program year 2022.

Persons wishing to comment on the proposed State Plan and Application may participate in the virtual public hearing commenting during the appropriate time. Also, comments may be emailed

to raul.betancourt@housing.nv.gov or submitted in writing to the Nevada Housing Division, Attention: Raul Betancourt, Weatherization Program Supervisor, 1830 East College Parkway, Suite 200, Carson City, Nevada 89706. Emailed or written comments must be received by the Nevada Housing Division on or before July 20, 2021, 5:00 p.m. to be considered.

PUBLIC HEARING AGENDA

1. Call to Order – Raul Betancourt, Weatherization Program Supervisor
2. Public Comment. No action may be taken on a matter raised under this item of the agenda until the matter itself has been specifically included on an Agenda as an item upon which action will be taken. (Because of time considerations, the period for public comment by each speaker is limited to three (3) minutes and speakers are urged to avoid repetition of comments made by previous speakers.)
3. Introduction and Comments on the Proposed Program Year 2022 DOE State Plan and Application.
4. Public Comment. No action may be taken on a matter raised under this item of the agenda until the matter itself has been specifically included on an Agenda as an item upon which action will be taken. (Because of time considerations, the period for public comment by each speaker is limited to three (3) minutes and speakers are urged to avoid repetition of comments made by previous speakers.)
5. Adjournment

Note: Items on this agenda may be taken in a different order than listed. Two or more agenda items may be combined for consideration. An item may be removed from this agenda or discussion relating to an item on this agenda may be delayed at any time.

Recording Warning

Note: The public hearing will be recorded for submittal to the Department of Energy along with the final State Plan and Application.

Public Posting and Notification

Consistent with the State of Nevada electronic public notification process that is used by other Federally funded programs, this notice and agenda have been posted on or before 9:00 a.m. and no later than 10 calendar days prior to the meeting at the following websites:

Nevada's Public Notice Website at: <http://notice.nv.gov>

Nevada Housing Division's website at:

https://housing.nv.gov/Resources/Meetings,_Notices,_Hearings,_Actions___Events/
