RE: Nevada Housing Annual Training

Effective immediately the Nevada Housing Division will require that at least one staff member from each *property site* and one management company representative directly involved in the management of their Nevada project attend at least one of the annual compliance trainings provided by NHD.

Reference: NHD Compliance Manual Chapter 9 Section C

The Division will conduct two comprehensive compliance training sessions annually. One session will be held in Las Vegas and one session will be held in Carson City. The date, time, and location will be posted on the Division's web site www.nvhousing.state.nv.us. The cost of the training is \$75 (subject to change) per person.
